

GUIDE 328

Cut protection glove with nitrile

Guide 328 is an extremely soft and thin glove that combines a cool and airy comfort with high durability and protection against sharp objects. The 18 gauge Dyneema® Diamond Technology liner is glass free and one of the coolest and most comfortable cut resistant offerings. It is also breathable which helps to keep the wearer's hands cool throughout the day.

Suitable for handling and assembly of small and sharp parts, sheet metal assembly, automotive, recycling and material handling.

DURABILITY

FLEXIBILITY

- Cut protection level B
- Seamless in Dyneema® Diamond, no glass added
- Super thin
- Cool and ventilating
- Sizes 6-11
